

Prize Programs

Popcorn Giveaway

Super simple and very motivational! Who doesn't love popcorn? For every 3 items sold you get 1 FREE bag of popcorn!

You can also use the collected coupons for a drawing to win a Grand Prize provided by you! Or, if you prefer, we will tabulate your orders and send the popcorn prizes with your orders.

Cumulative Prizes

This is a program that gets your kids excited and eager to sell as many items as possible, so they can win their favorite prizes.

The more you sell, the more prizes you win! Prizes include Laser Gloves, Drones, Air Guitars, Slime and more.

Collectible Key Chains

We supply your group with fun, collectible key chains. Each seller gets a handout with 10 coupons on it. Every Time a participant sells 3 items they turn in the coupon to the fundraising coordinator, teacher or main office and collect 1 super hero key-chain.

There are 10 different key chains—try to collect them all! You can also use the coupons turned in to hold a grand prize raffle! Ask your sales representative for details.

2% Cash Back

This is great for any group. Use this to buy top sellers or whole group prizes.

Use your 2% Cash Back to fund pizza parties, gift cards, tuition fees, clothing and anything you can dream up! At the end of the sale we simply credit your invoice by 2% to help pay for the prize!
